Our inspiration

— ✦ Custodian of the Two Holy Mosques ✦ —

KING SALMAN BIN ABDULAZIZ AL SAUD

"My foremost goal is for our country to be a successful and pioneering model in the world across all sectors, and I will work with you to achieve this."

— ✦ His Royal Highness Crown Prince ✦ —

MOHAMMED BIN SALMAN AL SAUD

"We have a unique and strategic geographical location, with three of the world's most important maritime straits. Nearly 30% of global trade passes through our waters. We have immense opportunities to create logistical services, whether in aviation, ports, or industrial complexes."

About Us

Bahoor Al-Mashriq Ltd. is a leading and specialized maritime transport and shipping company, with expertise extending to vessel management and seafood production. Our operations are built upon a deep understanding of the maritime market's requirements and challenges, delivering world-class services that exceed customer expectations.

We operate a modern fleet equipped with the latest technology and systems, enabling us to overcome obstacles and meet market demands efficiently. Our success stems from an integrated operational system that combines expertise, professionalism, and innovation.

Aligned with Saudi Vision 2030, we are committed to sustainable growth and innovation, strengthening our presence locally, regionally, and globally. We actively support the national economy by creating high-quality job opportunities and developing the Kingdom's maritime logistics sector as one of the enablers of its future vision.

Our Strategic Identity

►► Our Vision

To be among the top local, regional, and global leaders in maritime transport, logistics services, and seafood production, delivering excellence in operations and sustainable innovation in line with the highest international standards.

►► Our Mission

To provide innovative, comprehensive maritime services that enhance operational efficiency, support the local economy, create distinguished job opportunities, uphold corporate values, and generate a positive impact.

Our Future Aspirations

As a trusted partner in Saudi Arabia's supply chain network, Bahoor Al-Mashriq aims to expand its role as a leading provider in the logistics sector — from maritime transport and shipping to seafood production and vessel management. Our future plans focus on:

**Logistics
Leadership**

Developing integrated shipping solutions that improve efficiency and technology adoption, facilitating trade flows between the Kingdom and global markets.

**Maritime
Transport**

Expanding transport routes and connecting local, regional, and international ports to provide reliable shipping services that contribute to supporting the logistics sector, through owning, operating, and chartering vessels within a specialized maritime fleet.

**Maritime
Shipping**

Expanding shipping routes to strengthen import-export capabilities.

**Digital
Innovation**

Leading digital transformation in the maritime sector through smart solutions for shipment tracking, scheduling, and customer service.

**Fish and
Seafood
Production**

Producing premium seafood products that meet global standards through state-of-the-art facilities.

Global Reach

Enhancing global connectivity through an integrated network of shipping and transportation routes, providing direct access to the world's leading ports.
